MEET OUR STAFF

Linda Wheeler **Medical Assistant/Medical Secretary**

Linda's the smiling face of the clinic's front office and also assists with patient services and lab work. "I am committed to treating every person who visits us with respect and dignity," says Linda, a 30-year veteran in the medical field. "We want patients to consider this clinic their healthcare home."

Paul Nausieda **MD, Board-Certified Neurologist**

Dr. Nausieda specializes in Parkinson's Disease and related movement disorders. He also sees patients with general neurological issues, including sleep disorders. A graduate of the University of Chicago's Pritzker School of Medicine, Dr. Nausieda has published over 100 scientific papers.

Kathy Schumacher **Family Nurse Practitioner**

With 30-plus years of medical experience, Kathy earned a Master of Science in the Family Nurse Practitioner Program. A Basic Life Support instructor, she's certified in emergency nursing and aromatherapy. The mother of four, she believes in holistic nursing, with healing the whole person as her goal.
